There is too many noting of different officials and officers but in no noting the full history of the case at least in brief one, has been fully recorded. I have seen in the past the full history of the case in brief used to be put up before the file was submitted to the minister the present position seems to be completely different from what it was some days ago. Sir,

Subject:- Withdrawal from acquisition of lands in Jodi Inam Halgevaderahalli, Bangalore South Taluk.

With reference to your letter No.L.15950/ITB.2-55-39 dated 8-3-1956 on the above subject, I write to state that the lands in question were first proposed for acquisition for laying rising - mains for pumping raw sewage for irrigation under the G.M.F. This proposal is to be definitely dropped as suggested by the Standing Technical Advisory Committee and these lands acquired for the rising main only will now have to be withdrawn from acquisition. The withdrawal statement refers only to this portion of the land.

In this connection, I wish to point out that this point was not clearly explained while reporting the above facts in my previous letter. The Scheme by itself is not dropped and in fac the land required for disposal works is already acquired and tak possession of. Further, a Comprehensive Estimate for Rs.22,80,00 for sewage disposal works including laying of main outfall sew up to the site of disposal works is already submitted to Goverment in this Office No.5762/55-56 dated 9th March 1956, for sa tion.

Under the above circumstances, I request that orders of Goverment may be kindly obtained and communicated for the withdrawal from acquisition of the lands in question.
